

Travel & Coronavirus–Covid 19

Any patients concerned about travel must speak with their Insurance Company and follow Public Health England (PHE) Foreign Office Advice.

The Public Health Agency (PHA) does not issue travel advice. If you're concerned about the impact of the COVID-19 outbreak on your existing travel plans, check with your airline, tour operator, cruise line or other transport and accommodation providers as applicable. People who plan to travel should check the travel advice at:

www.gov.uk/guidance/travel-advice-novel-coronavirus

We cannot provide letters of support for patients wishing to cancel their travel arrangements due to the Coronavirus - Covid 19 outbreak.

Patients who feel that they are at higher risk due to a pre-existing medical condition must seek their insurers' advice. A patient summary of active problems and repeat medication can be provided by our reception staff (photo ID required).

The ABI has produced a Q&A of what you need to know on the travel insurance implications following the outbreak.
